

FIG. 1
10

FIG. 1 is a schematic diagram of a system 10. A central horizontal bar has arrows at both ends, indicating a flow or connection. Six rectangular boxes are connected to this bar by vertical lines. On the left side, the boxes are labeled 60, 70, 80, and 90 from left to right. On the right side, the boxes are labeled 20, 40, and 50 from left to right. The entire assembly is enclosed in a dashed rectangular border.
